Re: SPI purchase method for ECF fund orders

To whom it may concern:

If the applicant chooses SPI invoicing CDWG will accommodate this request for the Emergency Connectivity Fund, as long as the order is placed after the appropriate funding commitment decision letter is received by the applicant. Customer acknowledges and accepts that for recurring services specifically related to Kajeet if applicable, Seller will invoice the customer using the BEAR method exclusively.

Sincerely,

A handwritten signature in black ink, appearing to read "Anup", with a horizontal line underneath.

Anup Sreedharan
Manager, Program Management
