

August 11, 2021

Dear Mr. Eaton

VectorUSA will utilize the Service Provider Invoice or SPI (Form 474) method to invoice the Universal Service Administrative Company (USAC) for Entities that request it. The SPI method bills the Discounted amount. The SPI method is used to alleviate the District from paying the full amount of the Undiscounted Cost. The entity is only responsible for their Match.

Please let me know if you have any further questions.

Sincerely,

Catherine Banker
